RECEIVED

PETITION TO MAKE SPECIAL

Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

Pursuant to 37 C.F.R. § 1.102(c), Applicant hereby petitions the Commission to make the subject application special so that it be taken out of turn for immediate action.

Enclosed is a Declaration of inventor and Applicant, John Manolis, setting forth the fact that he believes the invention sought to be patented in this application will materially contribute to the conservation of energy resources and materially enhance the quality of the environment.

Applicant respectfully requests that this petition be granted.

Respectfully submitted.

John Manolis
